# Roll up, roll up to major free energy-saving fair

THE only major Energy Fair to take place in North Devon this year will be held at Barnstaple Pannier Market on Sunday (28).

This free event, taking place from 10am to 4pm, offers the public the chance to browse around a variety of stands from companies promoting renewables, energy saving technologies and low carbon transport.

From the latest electric cars to household energy saving advice from local experts, see what you can find to help save you and your family on fuel bills.

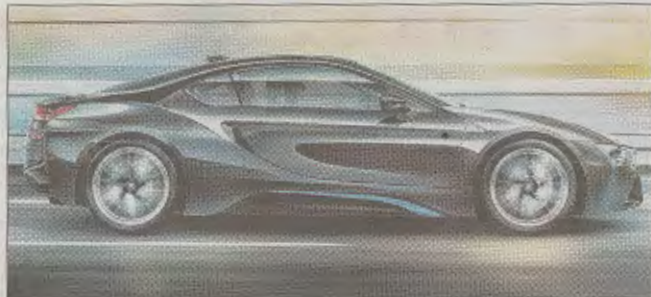

There will be educational activities for kids and a host of environmental organisations to inspire old and young alike, a local farmers' market and food stalls, as well as live music.

For more information visit the event website [www.361energyfair.org](http://www.361energyfair.org).

The 361 Energy Fair has been organised by the local social enterprise, 361 Energy in partnership with Mike Wye & Associates.

Among the companies and organisations exhibiting at the event will be:

- **Renewable Energy**
- Optimum Heating – Biomass boilers
- GD Electrical and Solar – Solar PV
- The Works M & B – Heat Pumps, gas boilers and plumbing

■ **GO ELECTRIC:** BMW i8 hybrid electric sports car, left and a BMW i3 electric car, above, from Westerley BMW.

■ **GET TURNED ON:** Mitsubishi Outlander PHEV, a 4 x 4 plug-in hybrid SUV from Devonshire Motors.

- Eden Biomass – Free biomass boiler scheme
