

# Excitement building for low carbon Energy Fair

**T**HE best electric vehicles and low carbon technologies will be on show at the 361 Energy Fair. This will take place for a second year in Barnstaple Pannier Market on Sunday November 1, from 10am - 4pm. Entry is free.

A major theme of this year's event is low carbon transport. The event is sponsored by Co-Cars, the pay as you go car club, who have recently introduced vehicles in Barnstaple.

The star of the show will be the ground breaking Tesla Model S electric car, which can accelerate to 60mph in 3.1s and has a range of up to 310 miles.

Exhibitors at the event will include:

#### Low Carbon Transport

- Co Cars - Toyota Yaris hybrid
- Tesla Model S
- Mitsubishi Outland PHEV, 4 x 4 plug-in hybrid SUV from Devonshire Motors
- Nissan Leaf and e-NV200 electric van from Barnstaple Nissan
- Toyota Auris HSD hybrid from Roundswell Toyota
- Vauxhall Ampera from EV Motion, who install car charging points
- Renault Twizy from

RES (Devon) Ltd

- Electric bikes from The Bike Shed

Renewable Energy

- GD Electrical and Solar - solar PV
- Moleenergy - solar and biomass

● Optimum Heating - KWB biomass boilers

● RES (Devon) Ltd - solar, biomass & heat pumps

● SUNfarming - solar PV  
**Energy Saving Technologies**

● CosyHome Company - secondary glazing and insulation

● Endotherm - additive for heating systems

● Greenhus - external wall insulation

● Multiheat - infra red heating panels

● South West Lighting & Electrical - LED lighting

● West Country Windows - replacement glazing and conservatories

There will be a wide range of environmental groups exhibiting at the event and the opportunity to buy lunch from local food stands.

This will be a great event for all the family with live music and entertainment also provided.

● Visit [www.361energyfair.org](http://www.361energyfair.org) for more information.
